Subject: Updates on Overall Health Services in Anvaya Cove

Dear Fellow Members and Residents,

We hope you are well and safe.

We'd like to share an important update regarding the ongoing concerns about medical emergencies and overall health services at Anvaya Cove—an issue we've prioritized in our discussions with the Developer. Attached is the Developer's latest update.

Thank you to everyone who shared their insights and suggestions. As part of our drive to improving health and emergency support in our community, we've formed a Health Committee chaired by our Trustee Dr. Albert Ablang. If you're interested in joining or contributing, please reach out to our Property Management Team at 0917-853-7620.

We look forward to working together, in partnership with the Developer, to build a safer and healthier Anvaya Cove.

On another note, we have two major events happening in the next several weeks. Ground Breaking of our Social Hall. Happening at, 10am October 5th, Sunday; details forthcoming in a separate announcement. Annual General Meeting - 1PM, Saturday October 11th as announced. Participation in our upcoming Annual General Meeting is highly encouraged. If you're unable to attend meetings personally, we kindly ask that you send a proxy to ensure a quorum for the event.

See you all soon and thank you for all the support!

On behalf of The Neighborhoods at Anvaya Cove Homeowner's Association Inc.

Sincerely,

Jose Maria Cardenas
